

# Snow Goose Chase 2010

## Help is urgently needed:

Dear ENC Members,

Unfortunately, this year Dale Dawson steps down from her role in booking the buses for the Snow Goose Chase. The Edmonton Nature Club would like to extend a special thanks to Dale for all of her efforts these past three years.

Bob Parsons, who coordinates the annual Snow Goose Chase in late April, is looking for someone to replace Dale and take care of the bookings for the buses: 2 on Saturday and 1 on Sunday. The help would be greatly appreciated and would ensure another successful year in this ENC community outreach initiative.

The position involves answering general inquiries and taking bookings. Ideally, the interested party should be available to answer the phone during daylight hours and have access to an answering machine. Late March and early April are the peak times for telephone inquiries and bookings, although activity starts in early March.

He/she will also be receiving cheques from those booked on the buses so their mailing address will be prominent on the Snow Goose Chase flyer sent out in early March.

If you are interested or would like further information, please contact Bob at 780-488-1344, or email [vintagebob@shaw.ca](mailto:vintagebob@shaw.ca)
